About Us

A1 Locksmiths WA Pty Ltd has been delivering trusted locksmith and security solutions across Western Australia since 1985. With a forward-thinking approach, we continually update our expertise to provide clients with the most current and effective security technologies.

Our Services

We offer a comprehensive range of commercial, mining, and automotive locksmith services, Including:

- Access Control Systems
- Automotive Key Programming, Lock Repairs & Replacements
- Business Safety & Security Solutions
- Commercial & Residential Locksmith Services
- Electronic Smart Locks Installations
- Isolation & Safety Lockout Systems
- Restricted Key Systems
- Safe Sales, Installations & Service
- 24/7 Emergency Call out

Our facilities

With three workshop locations—our head office and showroom in Morley, and sub-branches in Osborne Park and Mandurah, we only use the latest in cutting edge machinery for all out key cutting and automotive key programming.

Our Team

Our experienced, multidisciplinary team includes:

- Access Control Specialists
- Apprentice Locksmiths
- Automotive Specialists
- Business Development Managers
- Full Team of Administration Staff
- Project & Service Managers
- Workshop Managers
- Experienced Qualified Locksmiths

We proudly employ over 25 qualified locksmiths, including 15 mobile technicians and 7 apprentices. They are supported by a dedicated team of 7 administration and operations professionals. This strong team structure enables us to consistently deliver prompt, high-quality services and products. Our staff undergo continuous training to ensure they can recommend and install the correct parts for any scenario.

All of our locksmiths are WA Police-approved, fully licensed professionals, we are proud members of the Master Locksmiths Association of Australasia and the Motor Trade Association.

Industries We Serve

We specialise in maintaining high-volume, high-security restricted key systems for:

- Government Departments
- Local Councils
- Private & Public Schools
- Mining Operations
- Healthcare & Aged Care Facilities
- Automotive Dealerships & Repairers
- Facilities Management Companies
- Large Franchise Groups

A Few of Our Clients

- Alcoa
- St Barbara – Leonora Mine Site
- Byrnecut Group
- City of Bayswater
- Shire of Murray
- Shire of Waroona
- Shire of Pinjarra
- Silverchain (Regional & Metropolitan Sites)
- WA Police
- Royal Automobile Club (RAC)
- Perth College
- Aranmore College
- MM Electrical & Data Supplies
- Capricorn Society
- Numerous Automotive Repairers & Facilities Management Companies
- Aged Care Providers

Our Services for the Mining Sector

A1 Locksmiths provides specialised solutions for mine sites, including lockout padlocks, custom restricted key systems, and ongoing lock maintenance with complete key record management. We also offer preventative services to reduce the risk of breakdowns or failures, ensuring your operations run smoothly.

What Sets Us Apart

- 40 years of industry experience
- WA's largest mobile locksmith fleet
- WA's largest team of highly qualified locksmiths
- State-of-the-art manufacturing workshop
- Efficient administrative and scheduling support

Through partnerships with major freight providers, we ensure all deliveries are timely and fully trackable. Over the past 40 years, we have built strong relationships with leading suppliers—locally, nationally, and internationally—allowing us to offer our clients the latest in premium locksmithing products.
Security and safety are our highest priorities. All our locksmiths are fully licensed by the WA Police Forensics Department and are proud members of the Master Locksmiths Association, with Master Locksmith qualifications.

Licences & Accreditations

- Licences & Memberships
- Motor Vehicle Repairer's Licence: MRB6775
- Security Agent Licence: SA02714
- Master Locksmiths Association of Australia – Member
- Motor Trade Association – Member

Your Trusted Security Partner

At A1 Locksmiths WA, we are committed to delivering both preventative and responsive security solutions that minimise disruptions and protect your assets—whether at a mine site, a corporate building, or your home. Trust our team to provide the reliability and expertise you deserve.
